Company Information:

Welcome to the **MH Connectors Ltd**, part of the EDAC Group catalogue

Now part of the EDAC Group, MH Connectors continues to grow. We have four Manufacturing and Distribution facilities worldwide. Our Head office is based in the UK plus Manufacturing & Sales Offices in China, Hong Kong & France. Through these, we offer fast efficient packaging and despatch. We are able to meet any custom packaging or logistical requirement, ranging from bespoke labelling of individual parts to a full Kanban service.

With our extensive experience in the Electronics industry and with our Manufacturing and Engineering expertise – we are able to offer “a complete solution” to all your interconnect requirements. We are constantly updating and developing our product range and frequently are involved in the design and manufacture of custom products ensuring that our customer needs are completely satisfied.

We have a large network of worldwide authorised Distributors and Stockists. Through these partners we are able to satisfy all customer requirements quickly and efficiently. Our partners also assist us in ensuring we remain ahead of new developments and designs, whilst ensuring we provide the range of products and services demanded by the market.
