

Amphenol LTW[®] Innovation in Waterproof Solution

AC Power Connectors

ALTW

- IP67
- 2,5mm² - 6,00mm²
- 400V rated voltage – 30 A
- Bayonet, secured locking
- 5 pin 4,00mm² / AWG12
3 pin 2.50- 6,00mm² / AWG14~10
- Identical panel cut out than **Wieland**

Released: June 11

ALTW will soon be releasing **New Power connectors for Inverter Market**. These are Field Assembly products for Male and Female, available in 3 pin and 5 pin version, so total 4 items as attached drawings and specs. Moreover, these connectors are similar but not inter-mateable to Wieland AC power connector (panel and field installable type), but panel connector has the same cut out as Wieland, meaning if Inverter Manufacturer concerned about changing his enclosure, ALTW can fit in existing one. Besides the design is following new UL6703A spec, which must be obligatory from Apr 2011, which Wieland is lacking now.

Also available ALT Press Release regarding these connectors.

- PWJ-03BFFB-LL8001
- PWJ-03PMMB-LC8001
- PWH-05BFFC-LL8001
- PWH-05PMMC-LC8001
- CAP for panel
- CAP for assembly

Samples are available upon request.

There are some main selling points such as being touch proof, IP68 Waterproof and can fit into the same cut out of existing enclosure as Wieland.
