

**Coming Soon!**

**KEL**

## 2.5mm Pitch Drawer Connector

**New KEL drawer connector offers wide insertion angle, long wiping length, effective mating guide and sufficient amount of floating!**

**FA series**

### Product Outline

You don't have to worry about the problems that previous drawer connectors had anymore!  
The problems were...

- ① buckling of the contact pins,
- ② difficulties to adjust the mating position,
- ③ too much insertion and withdrawal force and
- ④ contact failures.

**New KEL drawer connector can solve all the problems!**

We have a variety of pin counts, and the applications are industrial, factory automation, office automation and others.

Please contact your local sales office for requests for any other variations such as interconnection type, and for cable assemblies.
