

LTW[®] Innovator & Manufacturer of Waterproof and Environmental-Proof World

Smallest and Slimmest
Low Profile Connector with Retractable Pins
 (un-mated) stand-alone IP67

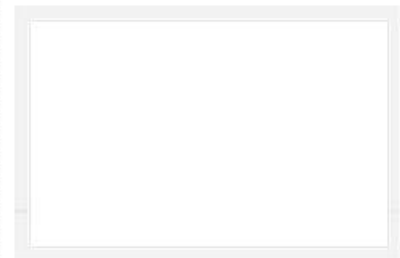

Today's latest product from LTW . . .
Low Profile Connector with Retractable Pins
 (un-mated) stand-alone IP67

"Introducing the smallest and slimmest un-mated (stand-alone) IP67 or above Low profile connector designed for rugged handheld and portable devices and rugged equipments where space is the pre-requisite. It features a fool-proof system coming with a ¼ turn lock bayonet offering easy and quick connection & disconnection whilst keeping it watertight with continuous connectivity. It is robust and sustains intense vibration. The contacts are gold plated ensuring quality and high speed transmission of data and power. Contacts are good for PCB soldering purpose of FPC. To speed up time to market, LTW also provide design of enclosure such as PDA or Mobile terminal unit so all you have to do is to choose the design you like. Cradle for car, bike or bicycle is also available for sale or custom-design."
