 **WEiPU® Connector**

**WA22 Series**

# IP 67

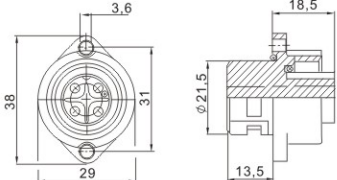

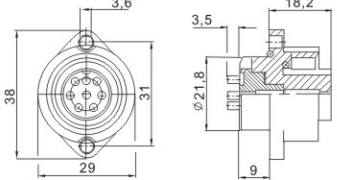

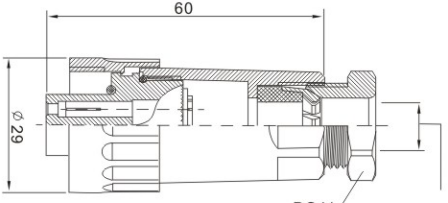

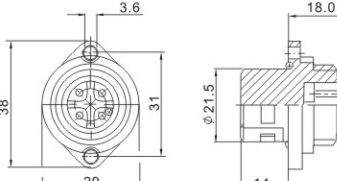

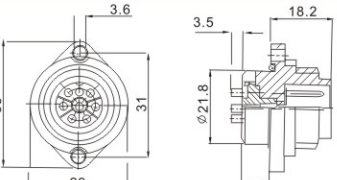

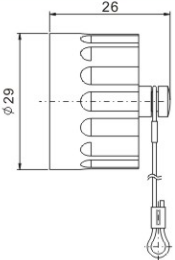

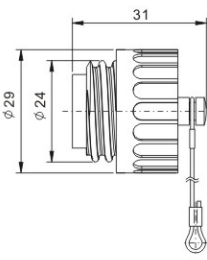

## ● WA22 Series IP67 Material and spec

| spec                  |                                 |                                |
|-----------------------|---------------------------------|--------------------------------|
| Number of contact     | 3+PE                            | 6+PE                           |
| Termination           | Screw                           | Solder                         |
| Wire size             | Max2. 5mm <sup>2</sup> /AWG14   | Max0. 75mm <sup>2</sup> /AWG18 |
| Rated voltage (V)     | 400V                            | 250V                           |
| Rated current(A)      | 16A                             | 10A                            |
| Shell material        | Nylon66 , fire resistance : V-0 |                                |
| Contact material      | Brass with gold plating         |                                |
| Cable outlet diameter | 6 , 8, 10mm                     |                                |
| IP rating             | IP67                            |                                |
