B.C.E. S.r.l. is a Commercial business founded in 1992. and introduced itself on the international market for electronic and electromechanical components.

Since its early days, **B.C.E. S.r.l.** understood that, in order to be competitive and aware of the continuous market developments in the electronic distribution field, it was necessary to keep a direct contact with the components producers.

B.C.E. S.r.l. is able to give its customers any kind of real time updated information, together with the right news and solutions suitable to their needs.

For this reasons, **B.C.E. S.r.l.** always played a role as importer "first" and distributor "after" for the electronic components.

The commercial policy in **B.C.E. S.r.l.** always meant to promote and distribute products where needed and where more technical assistance to develop new projects is required.

This makes of **B.C.E. S.r.l.** a company "**specialized in the products it sells**", ready to give all right indications, meant to meet the needs and requests from the Customer.

Thanks to the above described features and to the prestige of the companies it represents, **B.C.E S.r.l.** presents itself as a "**Partner in Quality**" company, a recognition it received with the "Civiltà del Lavoro 1997" award in the Electronics Distribution field. Another step in the process of continuous improvement of our service was the subscription as members of **ASSODEL** (Italian Electronics Distributors Association), made at the beginning of year 2000.

Our knowledge together with the goal of considering our Customer a partner, make **B.C.E. S.r.l.** a company ready to answer to all different customers' needs, by applying flexibility, timeliness, promptness and sensitivity to face the unpredictable market situations.

B.C.E. S.r.l. is Certified by SGS - ISO9001/UNI EN ISO 9001: 2008

In 2001 at B.C.E. was assigned the Award as best European Distributor for Test & Burn-in Solutions !!!

B.C.E. S.r.l. è un'azienda commerciale fondata nel 1992.

I marchi rappresentati e distribuiti, di rilevanza internazionale, fanno di **B.C.E. S.r.l.** il partner ideale di ogni cliente.

Fin dall'inizio **B.C.E. S.r.l.** si è resa conto che nel settore della distribuzione elettronica era necessario il contatto diretto con i produttori di componenti e soluzioni per essere oltre che competitivi anche aggiornati sulle continue evoluzioni del mercato.

Questo pone **B.C.E. S.r.l.** nelle condizioni di fornire ai propri clienti aggiornamenti in tempo reale, corrette informazioni e adeguate soluzioni alle loro richieste.

La politica commerciale di **B.C.E. S.r.l.** sarà sempre diretta alla promozione e distribuzione di prodotti ove è indispensabile e viene richiesta una maggiore assistenza tecnica in fase di sviluppo dei progetti

Questo fa di **B.C.E S.r.l.** una Azienda "**specialista di prodotto**" pronta a fornire le corrette indicazioni, dedicate a gestire le richieste ed esigenze del Cliente.

Grazie a quanto sopra esposto ed al nome prestigioso delle aziende rappresentate, **B.C.E S.r.l.** si propone come Azienda "**Partner in Quality**", appellativo riconosciuto con il conferimento del premio "Civiltà del Lavoro 1997" per il settore della Distribuzione Elettronica. Altro passaggio nel percorso di miglioramento del nostro servizio è stata l'iscrizione alla Associazione Nazionale Fornitori Elettronica - **assodel** - avvenuta ad inizio 2000.

Un insieme di competenze unite nel comune obiettivo di considerare il Cliente come un partner fanno di **B.C.E. S.r.l.** la realtà pronta a rispondere alle diverse esigenze della clientela applicando flessibilità, tempestività e sensibilità alle mutevoli condizioni di mercato.

Sistema Qualità Certificato SGS - UNI EN ISO 9001:2008

Nel 2001, B.C.E. riceve il Premio come miglior Distributore Europeo per Soluzioni da Test e Burn-in !!!

INNOVATIONS

Il pensiero di Kwan – Tsu (300 a.C.)

- ⇒ Quando fai progetti per un solo anno: semina chicchi di grano.
- ⇒ Quando fai progetti per un decennio: pianta gli alberi.
- ⇒ Quando fai progetti per tutta la vita: addestra ed educa gli uomini.
