### About WEIPU CONNECTOR

Production facility | Forshan-District CAN

**In 2016** we moved into our new production facility and are fully equipped with own in-house testing-labs, -CAD-construction software-tools and up to date machinery.

**Founded 1996** in Guangzhou China WEIPU has been specializing and concentrating in the circular connector manufacturing.

With hard work, know-how and experience, WEIPU becomes a leading circular connector manufacturer in China.

WEIPU is **ISO 9001** certified and has more than 400 employees. High quality is always our top priority. Our team of experienced R&D, production and quality control professionals provide excellent services and products.
