

Professional Waterproof Connectors

Reliable Waterproof Connectors for Any Requirement

WEiPU connectors are built to meet the toughest demands, offering precision, durability, and reliable performance in challenging environments. Explore our featured series below for your next engineering project.

SP Series

Durable and reliable, the SP Series features rugged threaded couplings and IP68 sealing ensuring stable performance in demanding environments.

SA Series

Easy & fast connection with push-pull coupling, available in multiple color options, and sealed with IP67 protection for secure and reliable performance.

WY Series

Anti-vibration capability, paired with up to IP67 sealing, a range of size options, and exceptional quality, makes the WY Series ideal for demanding environments.

SY25 Data Series

LC, RJ45, USB, HDMI connection options, bayonet couplings, and IP67-rated sealing, the SY25 Data Series delivers robust and reliable performance.

Your best choice for Interconnection Solutions
